## PD ON ZEOLITE FAGZPD

	6.2	Enviro	nmental precautions				
		Prevent spillage into sewers or waterways.					
	6.3		ds and materials for containment and cleaning up				
		6.3.1.	Recommendations on how to contain a spill				
			Collect the dispersed product and wash the residue with plenty of water.				
		6.3.2.	Recommendations on how to clean up a spill				
			The extinguishing water from the fire must not be discharged into the sewers.				
			Dispose of the contaminated water used for extinguishing and the residue of the				
			fire according to current regulations. To avoid dust formation, spray water before				
			cleaning.				
		6.3.3.	Any other information				
			None				
	6.4	Refere	nces to other sections				
		None					
7.		HANDI	LING AND STORAGE				
	7.1.						
		7.1.1.	Recommendations that allow the substance or mixture to be handled safely, such				
			as containment and prevention measures for fires and for the formation of				
			aerosols and dusts				
			Avoid inhaling the dusts. Avoid contact with eyes and skin. Avoid the suspension in				
			the air of pulverized materials.				
		7.1.2.	Generic recommendations on occupational hygiene				
			Do not eat, drink and smoke in work areas. Wash your hands after use. Remove				
	7.2.		contaminated clothing and protective equipment before entering eating areas				
	7.2.	7.2.1.	Conditions for safe storage, including any incompatibilities  Management of risks associated with explosive atmospheres, corrosive				
		7.2.1.	conditions, flammability hazards, incompatible substances and mixtures,				
			evaporation conditions, potential sources of ignition				
			Keep in the original packaging and close them immediately after use.				
		7.2.3.	Containment of the effects of weather conditions, pressure, temperature,				
			sunlight, humidity and vibrations				
			Keep in closed original container				
		7.2.4.	Conditions for keeping substances / mixtures intact				
			None				
		7.2.5.	Provisions relating to ventilation, specific design of storage rooms or containers,				
		112.01	quantitative limits in storage conditions, compatibility of packaging				
			None in particular				
	7.3.		Specific end uses				
_			Industrial use				
8.			EXPOSURE CONTROL / PERSONAL PROTECTION				
	8.1.		Control parameters				
			For this mixture, the occupational and biological exposure limits do not sound stable.				
	8.2.		Exposure controls				
		8.2.1. Appropriate technical controls
